Aduri Agro Products Pvt Ltd, is located 50 km away from Hyderabad at Shadnagar, Mahabubnagar district, Telangana, India. Founded in the year 2006 the company is engaged in Cultivating (Contract Farming), Processing, and Exporting of Gherkins (Small Cucumber) to various countries. The factors attributing to the success is the ideal combination of delivering high standards of quality products and sheer hardwork along with strong values and business ethics instilled at all levels of the Group’s corporate system.

Aduri Agro cultivates Gherkins in and around the state of Telangana, and the factory is situated, centrally to the major Gherkin growing, tropical areas of our state. We have 1000 ++ farmers working exclusively in and around Shadnagar within 150 KM radius, under contract farming (buy back system) method.
